Don't be dismayed at
goodbyes
A farewell is necessary
before we can meet again
And meeting again after
moments or lifetimes
Is certain for those who are friends.

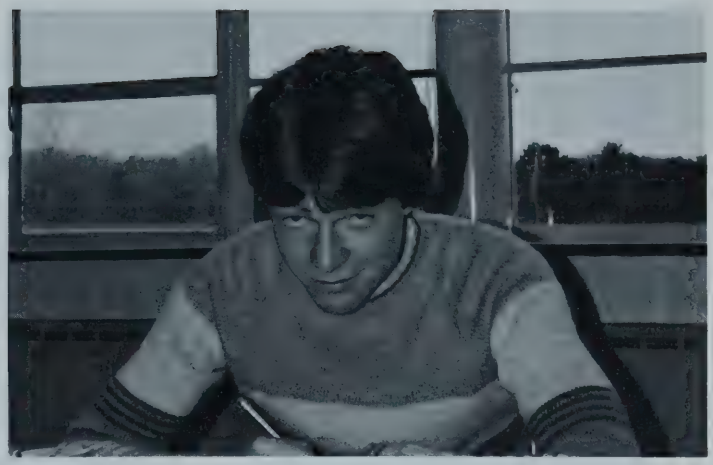
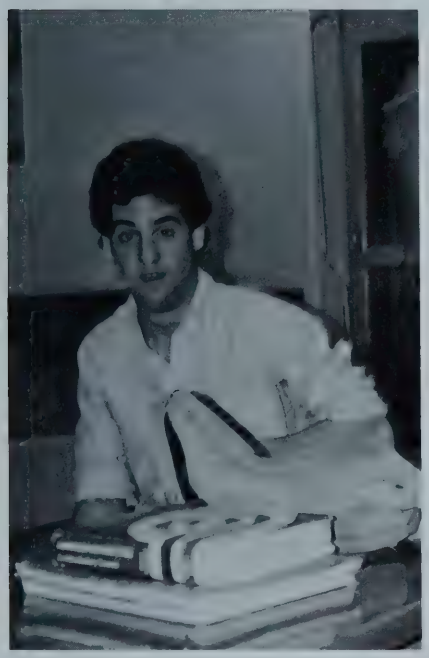
SENIORITIS

SENIORITIS IS . . .

the interviews.
finally getting your favorite locker, and then having it bolted.
Cape weekend.
having the Dr. for Psych/Soc.
when your life becomes one big party!?
when SAT stands for Saturday.
parking in the upper lot.
blowing off second semester.
wearing sweats to class.
having your"84" picture taken by a helicopter.
sitting in study hall when you're supposed to have open campus.
trading senior pictures.
finding the College and Career center.
only needing two points for your varsity coat.
paperwork.
discovering that when you finally finish that four years of work ahead of you, unemployment will probably be up another 30%.
discovering that you'll finally be able to follow through your plans for the future (if you have plans for the future).
Barbara Hughes' party.
when procrastination stands for your way of life.
laughing when asked for a pass in the halls.
not having to worry about standardizing tests again.
being ranked in your class.
getting clothes for the prom, but not a date.

I know you've got a lot of good things
Happening up ahead
The past is gone it's all been said.
Here's to what the future brings
I know tomorrow you'll find better things.
— The Kinks

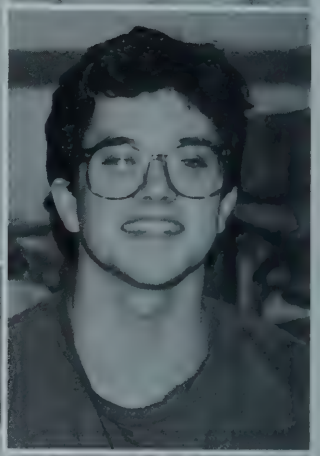




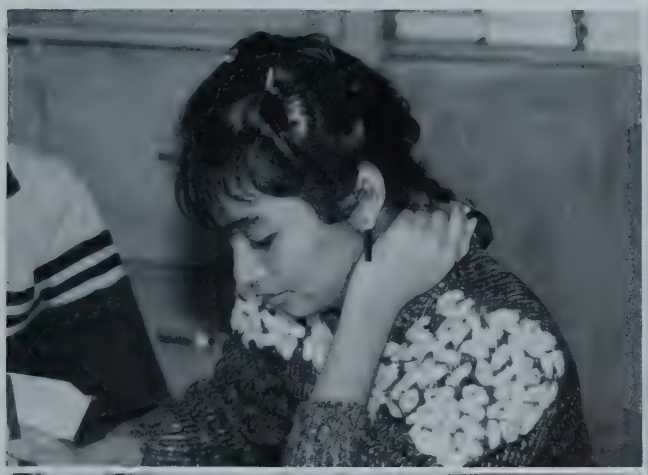
When you're down and troubled
And you need a helping hand
And nothing, oh nothing is going right,
Close you eyes and think of me
And soon I will be there to brighten up
Even your darkest nights.
You just call out my name
And you know wherever I am
I'll come running to see you again.
Winter, spring, summer or fall
All you have to do is call
And I'll be there,
You've got a friend.

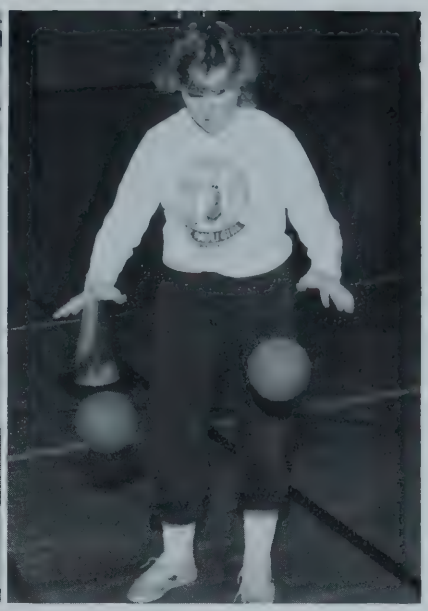
— James Taylor

LIGHTS, CAMERA . .



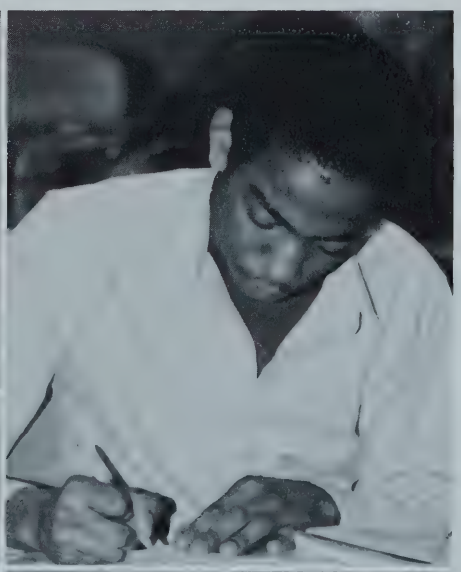
. . . . .ACTION!!!

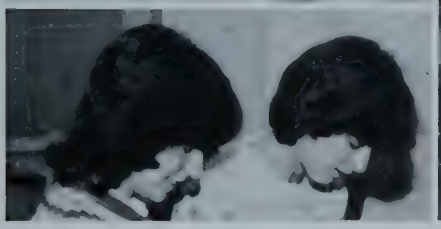




So Many faces in and out of my life, some will last.
Some will just be now and then.
Life is a series of hellos and goodbyes.
I'm afraid it's time for good-bye again . . .
And so it's time to change our ways.
But I've loved these days.
So before we end (and then begin)
We'll drink a toast to how it's been.

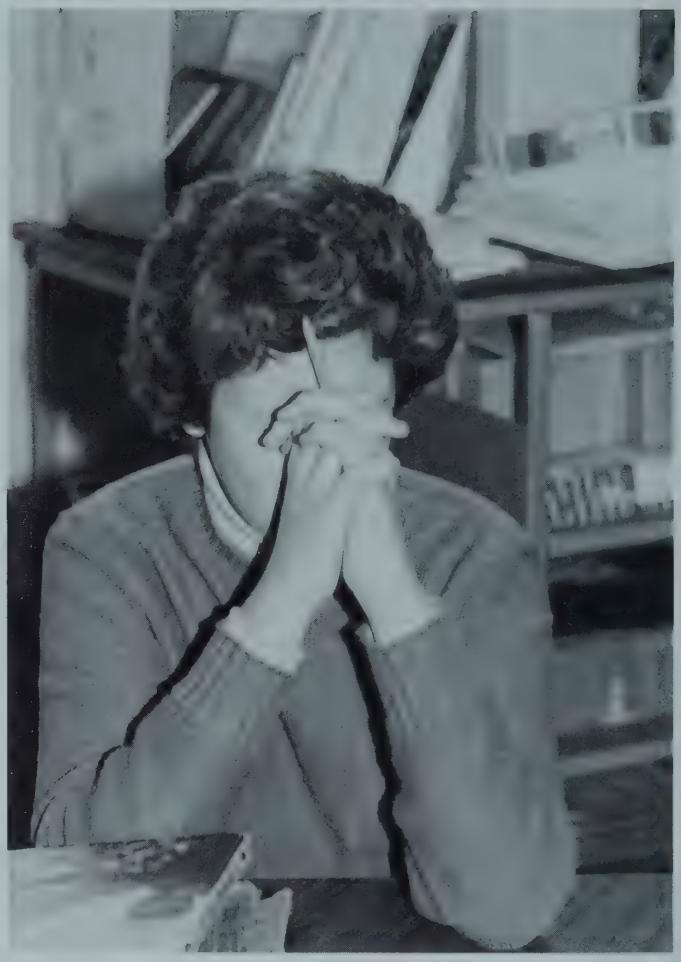
-Billy Joel





HERE'S LOOKING

SHARK!!!



Please, God, let me pass!

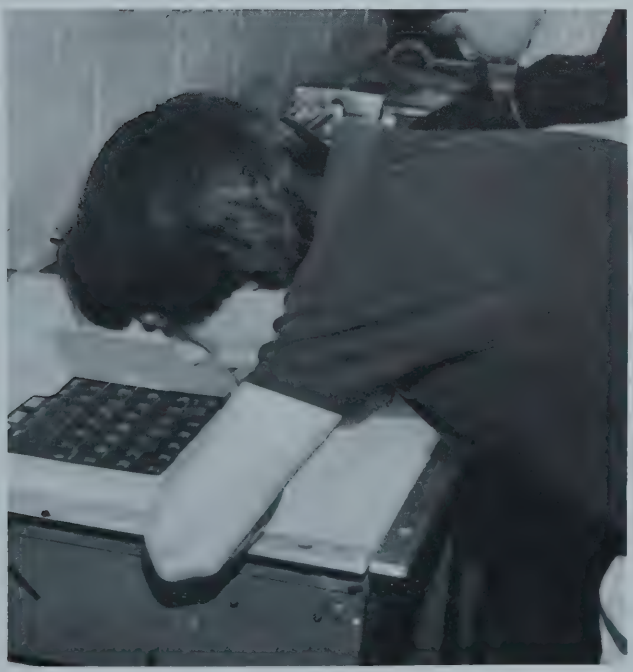
"Raise you hands if you're sure"

"What's number four?"

AT YOU KID !!!

Cell Block NHS

"They bolted my locker!"



Look at all the numbers.

"And now a song from my greatest hits album!"

"Leave me alone! Can't you see I'm hurting?"

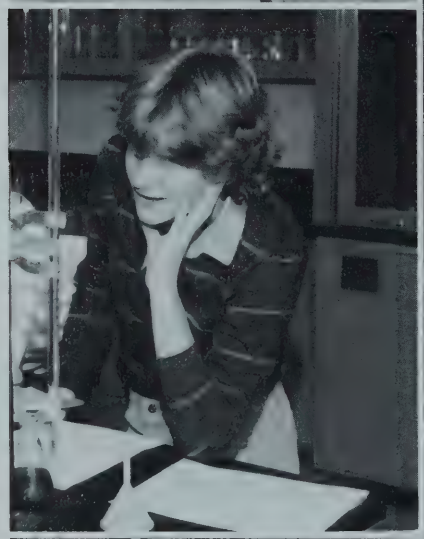
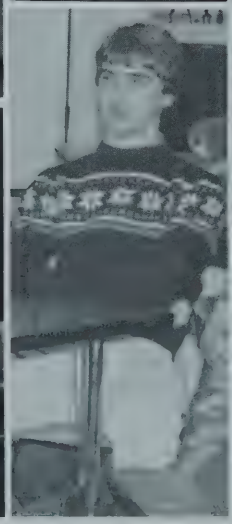
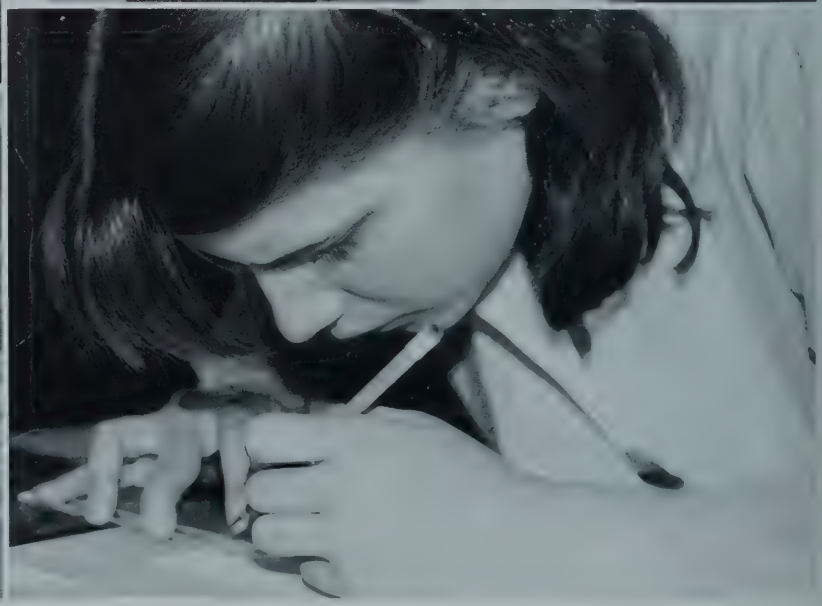
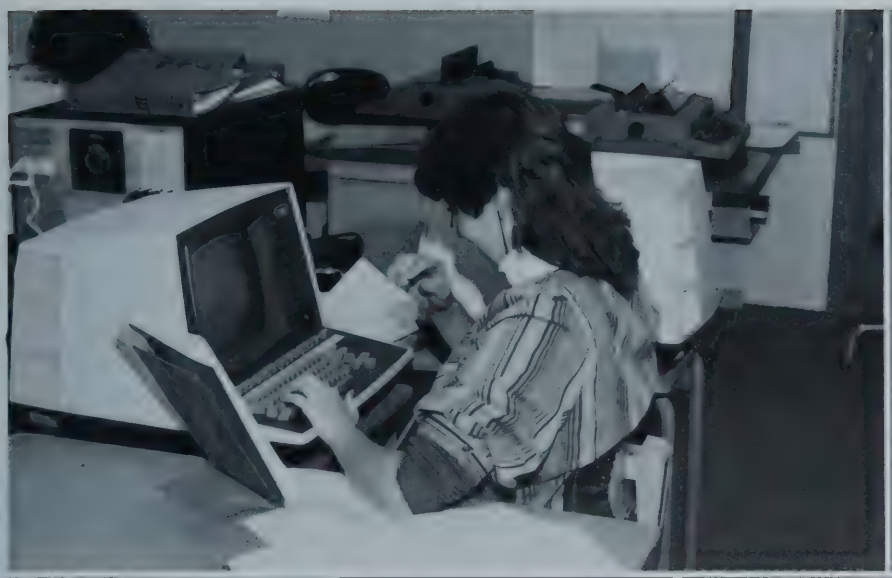
NIKE









Think in terms of bridges burned
Think of seasons that must end
See the rivers rise and fall
They will rise and fall again
Everything must have an end
Like an ocean to a shore
Like a river to a stream
It's the famous final scene.
And how you tried to make it work
Did you really think it could?
How you tried to make it last
Did you really think it would?
Like a guest who stayed too long
Now it's finally time to leave.
Yes, it's finally time to leave.
Take it calmly and serene
It's the famous final scene.
It's been coming on so long
You were just the last to know
It's been a long time since you smiled
Seems like oh so long ago
Now, the stage has all been set
And the nights are growing cold
Soon the winter will be here
And there's no one warm to hold
Now the lines have all been read
And you knew them all by heart
Now you move toward the door
Here comes the hardest part
Try the handle of the road
Feeling different feeling strange
This can never be arranged
As the lights fade from the screen
From the Famous Final Scene.
